**Tenant:** A person, corporation, partnership, group, or other entity, whether or not the legal owner of record, occupying a building or portion thereof as a unit.

**Vermin:** Roaches, bedbugs, fleas, lice, termites, mosquitoes, flies or similar pest like insects.

**Yard:** An open space on the same lot with a structure.

Other definitions as stated in rules and regulations that are referenced in this chapter shall apply.

## 7-2-2: NUISANCES DECLARED

It is hereby declared that any of the following activities and/or conditions are nuisances and are unlawful when conducted or allowed to exist on property located within the Village whether conducted, allowed, suffered or permitted by the owner, tenant, and/or other occupant thereof (it being the intent of this chapter to make all such persons jointly and severally liable for compliance herewith):

### A. Exterior Property Areas:

**Noxious Weeds:** To keep, maintain or grow noxious weeds or other vegetation which creates a health or safety hazard to the public. Excluded from the provisions of this subsection are prairie plants, lands or portions of any lands located in a public nature area, any property owned or leased by a unit of government and property zoned and used for any agricultural purpose.

**Overgrown Residential Yard:** To allow vegetation defined as grass to exceed ten (10) inches in height on a residential use parcel located within the Village. Excluded from the provisions of this subsection are prairie plants.

**Depositing of Junk, Trash or Refuse:** To deposit or allow to be deposited offal, fecal matter, night soil, garbage, compost, junk, trash, refuse or other offensive substances upon public or private property, or to permit such objects to remain upon such property. Excluded from the provisions of this subsection is the application of compost for horticultural purposes.

**Storage of Junk, Trash or Refuse:** To keep or store junk, trash and refuse on property. Without limiting the generality of the foregoing, "junk, trash and refuse" is defined herein to include any and all waste matter, whether reusable or not, which is offensive to the public health, safety and welfare of the neighborhood, and is specifically intended to include, but not to be limited to trucks, tractors, machinery of any kind, any parts thereof, iceboxes, refrigerators, freezers, stoves, metal drums or other containers, paper, construction debris and raw garbage irrespective of whether or not such objects are located on the property of the owner or bailee of such objects. This subsection shall not apply to refuse disposal facilities regulated by the state, the county, or municipality.

**Throwing Or Depositing Offal:** To throw or deposit any offal or other offensive matter, or the carcass of any dead animal, in any watercourse, lake, pond, spring, well, sanitary sewer, storm sewer, easement, street or public highway.

**Household Garbage:** To place household garbage in any outside container so that the household garbage is accessible to animals. Further, it shall be a nuisance and unlawful to place garbage or trash out for collection more than twenty four (24) hours before the scheduled pick up time.

**Manure and Garbage:** To accumulate manure, rubbish, garbage, refuse, junk vehicles, human and industrial, noxious or offensive waste, except the normal storage on a farm of manure for agricultural purposes. Normal storage for agricultural purpose is considered to be 216 cubic feet per acre (6 x 6 x 6 accumulation) of cultivated land.

**Offensive Garbage Containers:** To allow privies, vaults or garbage cans which are offensive and which are not fly-tight, vermin and rodent proof, or do not comply with the requirements of this chapter.

**Dumping:**

1. To dump, deposit, throw, discard, leave or cause or permit the dumping, or depositing or discarding or leaving of litter upon any public or private property in this Village, including upon any river, lake, pond, stream or any body of water.

2. To dump, deposit, throw, discard or otherwise dispose of litter from any motor vehicle upon any public road, upon any public or private property or into any river, lake, pond, stream or body of water in this Village.

**Burning of Garbage:** To burn garbage or rubbish outdoors with the exception of brush.

**Construction materials:** To store lumber or other building materials, construction vehicles, and/or construction equipment, not in connection with a permitted building project in progress on the immediate premises or unless in a permanent enclosed structure.

**Contamination of Water:** To contaminate or render unwholesome or impure the water of any above ground or subsurface aquifer, spring, river, stream, pond or lake, to the injury or prejudice of others or to undertake activities, actions or allow conditions that may potentially do so.

**Parking:** To park any vehicle in the front yard, back yard, corner yard, side yard or any additional area of a lot or parcel of land situated between the public right of way and any residence or accessory building or structure located therein, except that parking is permitted in an area duly improved (meaning a gravel, asphalt or concrete area) for parking purposes and the parking of noncommercial vehicles is permitted in a driveway.

**Inoperable Motor Vehicles:** To keep inoperable motor vehicles on public or private property, unless on the premises of a duly licensed business engaged in the wrecking or junking of motor vehicles or unless in an enclosed permanent structure.

**Right-of-Way Signs:** To place, install or leave any right-of-way-sign.

**B. Open Burning of Landscape Waste:**

Any and all burning in the Village shall be in accordance with the restrictions enumerated below:

1. The open burning of brush shall occur only on the property upon which the brush was generated subject to the following restrictions:

a) Burning is permitted only on sunny days between nine o'clock (9:00) A.M. and three o'clock (3:00) P.M.

b) Burning is not permitted when the wind is in excess of ten (10) miles per hour.

c) Burning is not permitted within twenty feet (20') of any building, structure or property line.

d) Burning is not permitted when it is determined and announced by the Kane County Health Department that inversion conditions or an ozone-alert exist.

e) Brush shall be dry when burned.

f) Burning is not permitted on public or private roads, alleys, sidewalks or easements.

g) All open burning must be supervised until the fire is extinguished.

h) A fire extinguisher or garden hose or water source shall be available at the burning site.

i) It is the responsibility of the individual conducting the burning and the owner of the property to satisfactorily determine that all conditions upon burning as noted above are complied with during any burning.

2. The terms and provisions of this Chapter shall not apply to any burning of prairie plants for purposes of habitat reclamation provided that those performing controlled prairie burning must received the proper permits from their Fire Protection District, if applicable, and notify the Campton Hills Police Department.

3. The terms and provisions of this Chapter shall not apply to the burning of brush for purposes of domestic fireplaces or cooking or external fireplaces, or to self-contained outdoor wood-burning devices or fireplaces.

4. The terms and provisions of this Chapter shall not apply to the open burning of brush for purposes of recreational fires.

5. The terms and provisions of this Chapter shall not apply to the open burning of brush for purposes of ceremonial fires provided that notice of any ceremonial fire has been given to the Fire Protection District, if applicable, serving the area where the fire is to take place as well as notify the Campton Hills Police Department. Failure to notify the applicable Fire Protection District and Police Department and obtain permission prior to conducting a ceremonial fire utilizing brush shall be deemed a violation of this Chapter.

6. The open burning of landscape waste and/or other materials, with the exception of brush, is prohibited in the Village except for those living within the 60119 U.S. Postal Service zip code. If the State of Illinois expands its vehicle emission testing program to include the 60119 zip code, this prohibition shall automatically apply to the area included in the vehicle emission testing program. The open burning of landscape waste shall be subject to the provisions of subparagraph a.) through i.), inclusive, of this paragraph B.

**C. Noise:**

**Construction Noise:** To perform or allow to be performed construction, repair or remodeling work where the noise from such can be heard from a distance of one hundred feet (100') or more from the source of the noise between nine o'clock (9:00) P.M. and six o'clock (6:00) A.M. Monday through Friday and on Saturdays and Sundays and legal holidays between nine o'clock (9:00) P.M. and eight o'clock (8:00) A.M.

**Vehicular Noise:** Notwithstanding any other provision of this code, to operate or permit operation of any sound amplification system in a vehicle or on property, or to operate off road vehicles, including, but not limited to, off highway motorcycles, minibikes, all-terrain vehicles (ATVs), snowmobiles or other like or similar vehicles, on private property where the noise from such vehicle or activity is such as to unreasonably disturb, injure or endanger the comfort, repose, health, peace or safety of reasonable persons of ordinary sensitivity; and when after written or verbal warning from law enforcement personnel the owner or operator fails to cease and desist from such operation or activity. The terms "motorcycles", "off road motorcycles", and "all-terrain vehicles" shall have the same meaning as in the Illinois motor vehicle code. "Snowmobile" shall have the same meaning as in the Illinois Snowmobile Registration and Safety Act.

**Lawn Equipment and Tools:** To perform lawn mowing or utilize power or non-power tools between the hours of 9:00 PM and 7:00 AM.

**Raucous Noise:** To make, continue, create or cause to be made or continued any loud or raucous noise.

**Harsh, Prolonged or Unusual Noise:** To make, continue, create or cause to be made or continued any noise which is harsh, prolonged, unnatural, or unusual in time or place as to occasion unreasonable discomfort to any persons within the neighborhood from which the noise emanates or as to unreasonably interfere with the peace and comfort of neighbors or their guests or operators or customers in places of business, or as to detrimentally or adversely affect such residences or places of business. Prolonged and incessant dog barking that is clearly audible by neighboring property owners is deemed to be prolonged or unusual noise.

**Modifications to Equipment:** Removal or modification of adequate sound suppression equipment as set forth in section 4-1(E) of the Illinois Snowmobile Registration and Safety Act.

**Factors to Determine:** Factors for determining whether a sound is unreasonably loud or raucous may include, but are not limited to, the following:

1. The proximity of the sound to sleeping facilities, whether residential or commercial;
2. The land use, nature and zoning of the area from which the sound emanates and the area where it is received;
3. The time of day the sound occurs;
4. The duration of the sound;
5. Whether the sound is recurrent, intermittent, or constant;
6. Proof of violation of this subsection shall not require the use of any decibel meter or other measuring device.

**Agricultural Noise:** Exempt from the provisions of this paragraph D, subsection is noise generated by agricultural equipment on land zoned and used for agricultural purposes and work performed by or on behalf of a public body.

#### D. **Animals and Infestations**

**Collection Of Carcasses:** To allow any offal, filth or noisome substance to be collected, deposited or to remain in any place, to the prejudice of others; to allow carcasses of dead animals or any part of decaying animal matter to so remain which is not buried or destroyed or collected within twenty four (24) hours after death, provided that farm animals that die on a non-business day shall be removed not later than the next business day.

**Diseased Animals:** To allow diseased animals running at large.

**Housing of Animals or Fowl:** To house animals or fowl fifteen feet (15') from the property line if said animals or fowl create sanitary or health problems to adjacent persons or property.

**Animals:** To willfully allow the running at large of cattle, horses, mules, asses, swine, sheep, goats, dogs, chicken, ducks, geese, other fowl, or other domestic or exotic animals, other than on the owner's property.

**Animal Fighting:** To keep or use, or permit to be kept or used or to be in any way connected with the management of, any room, place or building or other premises, for the purpose of fighting or baiting any dog, cock or other animal.

**Insects, Vermin, Rodents and other Pests:** To allow an infestation of insects, vermin, rodents or other pests. Every owner and person in control of a property, building or structure shall be responsible for the extermination of any insects, rodents, or other pests therein or on the premises whenever infestation is caused by failure of the owner to maintain the property, building or structure in rodent proof or reasonable insect proof condition. Furthermore, whenever infestation exists in the shared or public parts of any property, building, or structure, extermination shall be the responsibility of the owner. However, every occupant of a building unit shall be responsible for extermination within the building unit when such occupant is responsible for the infestation.

#### **E. Structures:**

**Dangerous Structures:** To allow any building, mobile home, shed, fence or other manmade structure to exist which is hazardous to public health because of its condition, faulty construction or lack of proper repair.

**Inside Refuse Storage and Disposal:** To place, leave, dump or accumulate any garbage, rubbish or other refuse in any building or structure.

**Building exterior:** To allow a building exterior to be in poor repair, structurally unsound, contain unsanitary conditions or to pose a threat to the public health, safety or welfare. The following standards shall apply to existing buildings:

1. General. The exterior of a structure shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.
2. Protective treatment. All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with

rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Removal of lead based paint shall follow state and federal laws:

3. Premises identification. Buildings shall have approved, plainly legible address numbers placed in a position to be plainly visible from the street or road fronting the property. These numbers shall contrast in color with their background.

Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches (102 mm) high with a minimum stroke width of 0.5 inch (12.7 mm). Single occupancy buildings with rural fire numbers may use the sign provided by the fire protection district to satisfy this requirement if the sign is clearly visible at the street. Multiple tenant buildings shall additionally have suite letters that conform to the above standards.

4. Structural members. All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
5. Foundation walls. All foundation walls shall be maintained free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
6. Exterior walls. All exterior walls shall be free from holes, breaks, and loose or rotting materials and be maintained weatherproof.
7. Roofs and drainage. All roofing and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
8. Decorative features. All cornices, belt courses, corbels, terra cotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
9. Overhang extensions. All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes, and exhaust ducts shall be maintained in good repair and properly anchored so as to be kept in a sound condition.
10. Stairways, decks, porches and balconies. Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
11. Chimneys and towers. All chimneys, cooling towers, smoke stacks, and similar appurtenances shall be maintained structurally safe and sound, and in good repair.

12. Handrails and guards. Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
13. Window, skylight and door frames. Every window, skylight, door and frame shall be kept in sound condition, good repair and weather tight. Operable windows required for ventilation shall have fitted screens.
14. Glazing. All glazing materials shall be maintained free from cracks and holes.
15. Doors. All exterior doors, door assemblies and hardware shall be maintained in good condition.
16. Basement hatchways. Every basement hatchway shall be maintained to prevent the entrance of rodents, rain and surface drainage water.
17. Guards for basement windows. Every basement window that is open shall be supplied with rodent shields, storm windows or other approved protection against the entry of rodents.
18. Vehicular Doors. Vehicular openings which were originally designed and constructed with a closing door shall continue to be maintained in operating condition and able to be fully closed.
19. Furniture on porches, accessory structures, yards and landings.

Household furniture such as sofas, stuffed chairs and mattresses, which are not designed to withstand the elements and for outdoor use, shall not be permitted to be placed on porches, accessory structures, yards and landings as such furniture may provide a location where insects, rodents or other vermin may breed or may reasonably be expected to breed. This section shall not prohibit the storage of such household furniture on a totally enclosed porch having a roof, walls, screens or glass windows or the temporary placement of such items outdoors when in use.

**Accessory Structures:** To allow an accessory structure to a residential, commercial or non-agricultural use, including detached garages, sheds, gazebos, decks, platforms, fences and walls to be in poor repair, structurally unsound, contain unsanitary conditions or to pose a threat to the public health, safety or welfare. The following standards shall apply to existing accessory structures:

1. General. Accessory Structures shall be maintained in good repair, structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.
2. Structural members. All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.

3. Foundation walls. All foundation walls shall be maintained free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
4. Exterior walls. All exterior walls shall be free from holes, breaks, and loose or rotting materials and be maintained weatherproof.
5. Roofs and drainage. All roofing and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
6. Window, skylight and door frames. Every window, skylight, door and frame shall be kept in sound condition, good repair and weather tight.
7. Doors. All exterior doors, door assemblies and hardware shall be maintained in good condition.
8. Vehicular Doors: Vehicular doorways shall have closing doors.

***Pools:***

All in ground pools, above ground pools, spas and hot tubs and their barriers including fences, self-closing and self-latching gates, heights, covers and alarms which shall be maintained in working order, in a clean and sanitary condition, and in good repair. Water must be maintained in a clean and sanitary condition or be completely drained. Pools that have been abandoned or are not in an operable state of condition must be removed.

***Lighting:***

Lighting installed for the purpose of illuminating residential yards shall be designed so that it does not produce direct illumination, cause glare or excessive light onto surrounding public and private property. Spillover lighting onto adjacent property shall not exceed 0.5 lumens per square foot. Safety lights that are motion activated are permitted in residential neighborhoods provided they are working properly and do not result in excessive spillover lighting onto adjacent property.

**7-2-3: EXEMPTIONS**

The terms and provisions of this Chapter shall not apply to property which is both zoned and used for any agricultural purpose.

The terms and provisions of this Chapter shall not apply to structures which were exempt from the provisions of the Kane County Building Regulations as an agricultural use structure when originally erected and continue to be used for agricultural purposes.

Structures which were exempt from the provisions of the Kane County Building Regulations as an agricultural use structure when originally erected but which are currently used for nonagricultural purposes or are vacant or abandoned are not exempt from the terms and provisions of this Chapter.

#### **7-2-4: RIGHT OF ENTRY**

The code official is authorized to enter the structure or premises at reasonable times to inspect subject to constitutional restrictions on reasonable searches and seizures. If entry is refused or not obtained, the code official is authorized to pursue recourse as provided by law.

#### **7-2-5: ENFORCEMENT**

A. **Notice of Violation:** Whenever a nuisance is found to exist within the Village, any authorized representative may give a ticket or warning notice indicating the violation and remedy sought accompanied by a statement of the appropriate fine. Right-of-way signs may be immediately removed by the Village in addition to fines provided for herein. In the case of cleanup and structural violations the authorized representative shall give written notice to the owner and/or occupant of the property upon which such nuisance exists or upon the person allowing, causing or maintaining the nuisance. The Notice of Violation under the provisions of this section shall contain:

1. The location of the violation.
2. A description of what constitutes the violation.
3. A statement of acts necessary to abate or correct the violation.
4. A date by which the violation must be abated or corrected to avoid further legal action.

B. **Complaint:** In the event the owner or occupant of the property upon which such nuisance exists has failed within the prescribed time to abate such nuisance, then an authorized representative shall file a complaint pursuant to the processes and methods prescribed by Title 8 of the Village Code entitled "Administrative Adjudication". Any authorized representative may issue a complaint against the owners, lessees and/or occupants of said property or the persons responsible for causing the nuisance charging a violation of any section or subsection of this chapter. Such complaint may seek any and all applicable relief available at law or inequity including but not limited to abatement of the nuisance, fines or injunctive relief. Issuance of a Notice of Violation shall not be a precondition to the filing of a complaint.

#### **7-2-6: TYPES OF VIOLATIONS AND FINES**

- A. Each day a violation of this Chapter exists constitutes a separate offense. Fines for the violations listed below shall be as follows: First offense: \$100, Second

offense within a 12-month period: \$200, Third offense within a 12-month period: \$300. Fines for Cleanup Violations shall be \$100 per day after notice to cleanup.

Cleanup Violations *(Includes depositing of Junk, Trash or Refuse; Storage of Junk; Throwing Or Depositing Offal; Household Garbage; Manure and Garbage; Offensive Garbage Containers; Dumping; Construction Materials)*

Contamination of Water Violations

Inoperable Motor Vehicles

Light Violations

Noise Violations

Noxious Weeds Violations

Overgrown Residential Yard Violations

Parking Violations (only applies to parking on yards)

Right-of-Way Signs

Structure Violations

Swimming Pool Violations

## **B. CLEANUP**

1. If the owner, agent, occupant or tenant of any premises or lot neglects or fails to abate a declared nuisance after due notice and time specified by the authorized representative, consistent with the constitutional rights of the owner, agent, or occupant thereof, the authorized representative may request a private hauler to remove such materials and the expense incurred shall be billed to the owner, agent, occupant or tenant.

2. If the owner, agent, occupant or tenant of any premises or lot neglects or fails to exterminate any infestations of vermin or rodents after due notice and time, as specified by the authorized representative, the authorized representative may cause such vermin or rodents to be exterminated and the expense incurred shall be billed to the owner, agent or occupant.

3. If the charge for cleanup or extermination remains unpaid, the amount shall become a special lien against the property. Such lien shall be such notice to

all persons from the time of its recording, and shall bear interest at the maximum legal rate thereafter until satisfied.

**7-2-7: RELIEF FROM PERSONAL RESPONSIBILITY**

- A. The authorized representative charged with the enforcement of this Chapter while acting for the Village and in good faith and without malice shall not thereby render himself liable personally, and is hereby relieved from all personal liability for any damage that may occur to persons or property as a result of any act required or permitted in the discharge of official duties.
- B. Any suit instituted against the authorized representative because of an act performed by him in the lawful discharge of duties and under provisions of this Chapter, shall be defended by the legal representative of the Village until the final termination of the proceedings.
- C. In no case shall the authorized representative be liable for costs in any action, suit, or proceedings that may be instituted in pursuance of the provisions of this Chapter.
- D. The authorized representative, acting in good faith and without malice, shall be free from liability for acts performed under any provisions of this Chapter or by reason of any act or omission in the performance of his official duties in connection thereto."

**7-2-8: SEVERABILITY**

All provisions, paragraphs, sections, divisions, subdivisions and any portions thereof of this Chapter are separate and distinct. If any one or more provisions, paragraphs, sections, divisions, subdivisions or portions thereof are found to be void, invalid or otherwise or unenforceable, the validity of the remaining provisions, paragraphs, sections, divisions, subdivisions or portions thereof shall not be affected.

**SECTION 2.** This Ordinance shall be in full force and effect from and after its passage and approval as required by law. This Ordinance shall be published in pamphlet form.
